Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Sheridan Road Reconstruction in surface transportation reauthorization legislation.

The project sponsor for this project is the County of Peoria and the project is located at Sheridan Road, Peoria, Illinois 61614.

The funding is designated for reconstructing Sheridan Road into an urban three (3) lane road segment with a center bi-directional turn lane.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: The addition of the center turn lane will significantly reduce the amount of rear-end and turning accidents. Pedestrian and bicycle accommodations would also be incorporated into the construction to create a multi-modal transportation roadway. The project would also incorporate measures to decrease runoff during storm events.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Darin LaHood". The signature is written in a cursive style with a horizontal line underneath.
